J. Craig Ayers

DEDICATION

Bethany High School inaugurated its football program this year with the help of a coach who lead the team through a year of 4 wins, one tie, and only five losses. He has also taken a personal interest in each individual boy and his welfare. He has been a great asset to our school system.

The yearbook staff takes great pleasure in dedicating the 1952 annual to Mr. Craig Ayers.

Dear Judy
Well my last
year of school is just
about over. It isn't
for people like you school
would differently be boring.
Remember those good old ball
games. They were exciting when
Gerald was about to catch
a fly weren't they? What did
you think when he missed
them? I think you are a
swell girl and I like you loads.
May I wish you lots of luck &
happiness.
Love ya,
Mary Catherine

Dearest Dudy,

Guy, we've really had a lot of gay ole times together!!!!!!!!!!!!... Remember when the John Marshall boys came over here and almost had a fight with the Bethany boys??????? Tonight is our anniversary with the J.M. boys, (April 30, 1938) Honey, you really are a swell gal and I love you lots! You are only the craziest lil girl I ever met. You will go a long ways with your sweet smile (when you're not mad) and your darling personality. I mean it too!!!!!!!!

It's 1:20 and I'm falling asleep sitting here, so I'll quit saying that I really love you a lot.

Dear Judy,

Well, here we are at the J. M. ballgame and Rex is trying to fix his flat. More fun, I don't know exactly what to say but here goes. You know I never harden myself to you, but express I want you to know I think you are the sweetest of girls. (at times) But no kiddan, I think you are a cute and darling girl. And with your personality and your looks you should go places in this world.

I know you aren't always happy when everybody else thinks you are, but just keep up the good work of fooling everybody. I'll love you always and be just as sweet as possible.

P.S. Don't do anything I would! Love ya, Pat

Dear Judy,

I really think you're a swell girl. I never did know that you liked Liddell until after we started going steady. I guess that was sorta tough luck on your part. But I'm glad I'm engaged to him and really not you (HA). Better luck with Jewel. Be good and keep loved.

Lots of Love

My Bowling Nuts,
I wish I could have gone to actual thing
yesterday just for drill, and got into some of the fun
that happened. However needed here a little for
when we went to Hennessey. But have been busy
I must say that turned out pretty good. Since I haven't seen much of you
since last Nov. I have missed the phone
out of you. I guess I'd really had some
swell times. I guess I never will forget
you and them. Remember all the messes
we pulled on the folks, all the stuff we did at
the rink. Sl (accidentally) we were drunk - you're so
It seems as though we've "drifted away" for a while
but always end up together again. I hope that
continues to happen. You know me all love you
(especially me) madly, passionately, ardently, desperately
and fervently. I hope we continue to be friends
always; like we have in the past. It's been
lots of fun and I've loved every minute of
it. I guess I'm the only one that knows
how sane & insane you are. I love
love you anythin way. You're been the
best friend I ever had and I love you bunches.
